WHY REGISTER?

CONVENTION REGISTRATION IS

HOW WE PAY FOR: the hotel, equipment, maintenance, and administrative expenses. EVERY table, chair and room utilized costs money.

We believe that once we ALL understand that the income from our registration makes this event possible and registration funds collected are used for the planning and implementation of present and future conventions; the reasons for registering becomes clear.

Because this gathering is not a regularly scheduled meeting, rather a special event, we will require registration badges to attend all seated ticketed events.
